

ENVIRONMENTAL POLICY

Park Lane Press Limited is a lithographic Waterless printing company operating out of Corsham, our main output includes brochures, reports, leaflets, folders, greeting cards, stationery.

We recognise our operations result in emissions to air and water, the generation of waste and consumption of natural resource, we therefore realise the importance of environmental protection. Now we have implemented an environmental management system we are committed to operating our business responsibly and in compliance with all environmental regulations, legislation and approved codes of practice relating to the printing industry and our activities. It is our objective to operate with, and to maintain good relations with all regulatory bodies.

It is Park Lane Press Limited's declared policy to carry out all measures reasonably practicable to meet, exceed or develop all necessary or desirable requirements and to continually improve environmental performance through the implementation of the following:

1. Assess and regularly re-assess the environmental effects of the Organisation's activities
2. Assess and regular re-assess the Organisations environmental objectives and targets
3. Assess and regularly re-assess legislation and regulation that apply to the Organisation's activities
4. Training of employees in environmental issues
5. Minimise the production of waste
6. Minimise material wastage
7. Minimise energy wastage
8. Promote the use of FSC, recyclable and renewable materials
9. Reduce and/or limit the production of pollutants to water, land and air
10. Control noise emissions from operations
11. Evaluate paper suppliers to avoid using paper that has come from controversial sources such as illegally harvested forests, genetically modified forests, forests where serious social conflicts are occurring and forests with wood originating from uncertified high conservation value areas.

This policy is communicated to all employees, suppliers and sub-contractors and is made available to the public.

In drafting and reviewing the Environmental Policy all personnel involved ensure that it:

1. Is appropriate to the nature, scale and environmental impacts of its activities
